Case No. 2:11-cv-02082-APG-CWH

ORDER

15 On April 4, 2013, the undersigned conducted a hearing on several discovery motions. *See*
16 Mins. of Proceedings (#99). The Court made its rulings on the record and instructed the parties to
17 submit a joint proposed order. Unable to perform this simple task, the parties submitted competing
18 proposed orders without identifying the specific areas of disagreement. The undersigned has
19 reviewed the proposed orders, listened to the hearing, and reviewed the hearing transcript. The
20 proposed order submitted by Defendants accurately reflects the rulings made during the April 4
21 discovery hearing and will be entered separately.

22 **IT IS SO ORDERED.**

23 DATED: May 15, 2013.
